

Board Policy F - Facility Programs

FA: Goals and Objectives

Facility planning programs shall provide for new developments in construction, population shifts, and changes in the condition of existing facilities.

Approved: October 12, 1998

FB: Building Committees

Building committees may be appointed by the board to assess general or specific facility needs and to advise the board.

Approved: October 12, 1998

FD: Capital Outlay Long Range Planning

The board directs the administration to develop long-range plans and reliable methods to project capital outlay needs. The long-range planning process may include recommendations from patrons, consultants, architects, the board attorney, the district staff and representatives from local, state and federal governmental agencies.

FDB: Long Range Needs Determination

The board and administration may periodically conduct district-wide

assessments to evaluate facility use, to project future building needs, or to

recommend that facilities be closed. A task force may be appointed to assist

with the study.

Approved: October 12, 1998

FDC: Naming Facilities

When a new school or facility is to be named or an existing school re-

named, the board shall consider all suggested names utilizing the following

criteria:

High School

while all high school students are housed in a single facility, the high

school name shall be Hutchinson High School.

Middle Schools and Elementary Schools

where multiple facilities serve each grade level, the school shall be

named based on a local geographic feature, be named after a prominent local or national historical figure or be named with a representative characteristic of citizenship. Current examples of this policy include Avenue A Elementary School, Lincoln Elementary School and Liberty Middle School. When naming a school after a local person, the person shall have been a recognized supporter of education and youth.

Playing Field/Arenas/Libraries/Auditoriums/Other Buildings

These areas shall be named in a manner which reflects the activity which is housed at the facility and recognizes the level of competition or participation which will occur in the facility. If the name is connected to a local historical figure, it is recommended that this person was connected to or supportive of the activity which occurs in the facility.

General Guidelines

It is a general guideline of the district to name facilities for persons only after the persons are deceased. It is mandatory that buildings should not
